who wants to reach middle and
upper class consumers loves us too.**

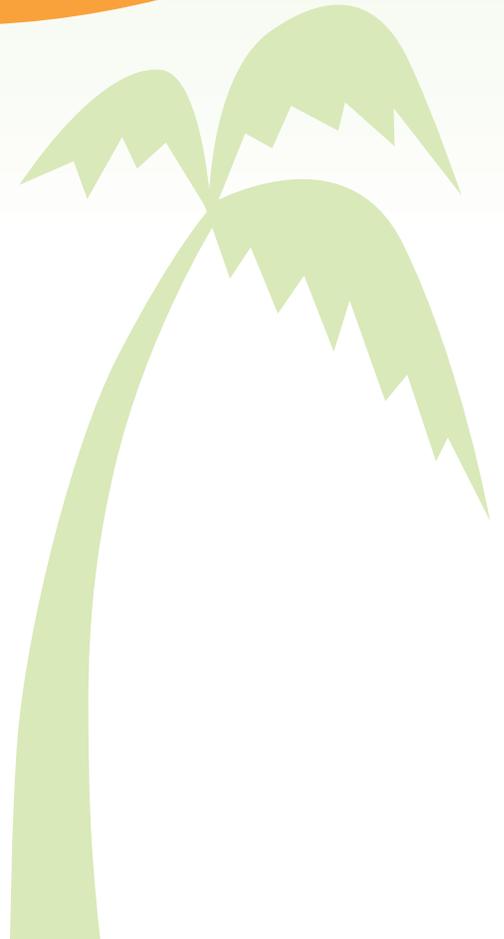

**How2Vacation.com truly is
causing an Internet revolution.
To join the excitement, call
(866) 390-4692.**

Think About It...

- Do you know ANYONE who did not travel for business or pleasure in the past year? (Probably not.)
- Do you know ANYONE who does not use the Internet on a regular basis? (Probably not.)

Yes, it's true... the number of potential visitors to How2Vacation.com is staggering! And with the many unique and exciting features this site has to offer, it's no wonder that we're revolutionizing the way people plan their vacations.

If You Provide Products Or Services To Travelers, How2Vacation.com Is For You.

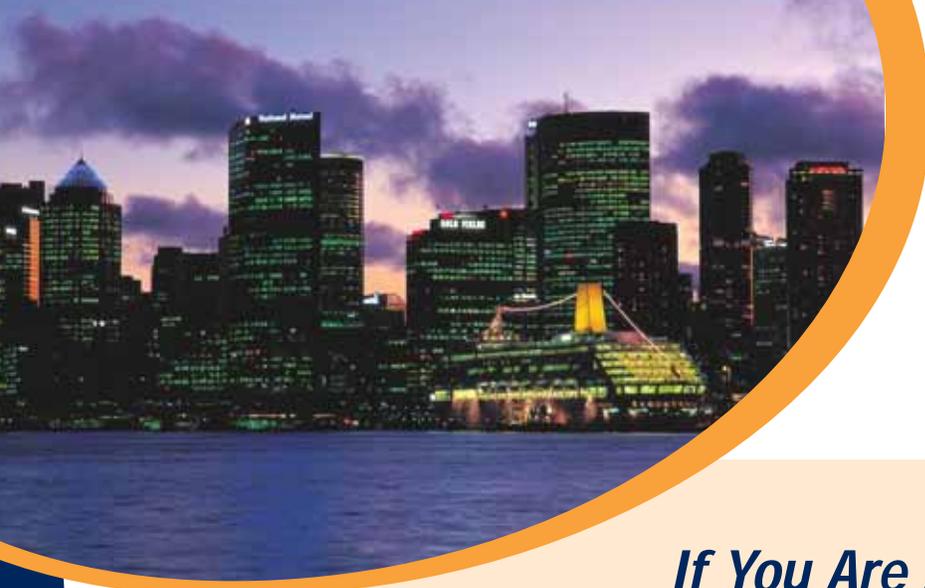

How2Vacation.com is visited by literally thousands of travelers every day. And keep in mind... these aren't just casual web surfers. These are highly motivated consumers, with their credit cards in hand, ready to book their vacations or business travel.

Our enormous advertising program - on television, on the Internet, through press releases, and using many other media - continually builds and reinforces consumer awareness of How2Vacation.com and promotes the benefits of using our site. But the real benefit is yours, as your product or service is exposed to exactly the target market you want to reach.

What's more, our flat fee option spares you the high commission rates charged by other travel web sites.

There's no doubt... if you provide products or services to travelers, you want to be part of the How2Vacation.com revolution.

If You Are A Vacationer Or Business Traveler, How2Vacation.com Is For You.

Your time is valuable, and you work hard for your money. Let How2Vacation.com help you save both. At How2Vacation.com you can book everything related to your vacation or business travel, including:

- Cruises
- Flights
- Hotel Accommodations
- Transportation
- Vacation Packages
- Vacation Rentals
- Dining
- Shows
- Tours
- And much, much more!

And thanks to How2Vacation.com's user-friendly interface and excellent online support, all of this can be accomplished quickly and easily.

Interested in saving money? How2Vacation.com makes that easy, too. Through special arrangements with airlines, cruise lines, hotels, car rental companies, and more, we are able to offer the lowest costs in the industry.

How2Vacation.com will revolutionize the way you plan your vacations and business travel. It's a revolution of convenience, ease, and savings... and it's all yours right now.

If You Want To Advertise To Middle And Upper Class Consumers, How2Vacation.com Is For You.

How2Vacation.com can expose your advertising message to literally thousands of consumers every day. But these aren't just run of the mill prospects. They're people with discretionary income and real needs. And they're people who are in a buying mode, with their credit cards in hand, ready to do business.

There's hardly a better web site on the entire Internet for delivering highly motivated consumers covering a vast cross section of demographics and geography – but all with one thing in common... These people are preparing to travel, and have the money to do so.

If getting your company's message out to thousands of motivated consumers every day sounds like good news to you, call How2Vacation.com, and join the revolution.
